CAMLS
Cleveland Area Metropolitan Library System

[redacted]

Dear Colleague,

It is my sincere pleasure to recommend Dr. Jeff Magee as a trainer and speaker.

Jeff began presenting programs for the Cleveland Area Metropolitan Library System (CAMLS) in 1997, and quickly became one of our most popular and respected presenters—our members love him!

Jeff tailors each presentation to meet our specific audience needs and genuinely cares about the relevance and practical application of the information he delivers. This keen audience sensitivity, combined with his high-energy presentation style, sense of humor, and engaging personality, creates a learning environment that stimulates motivation, self-discovery and personal growth potential.

I highly recommend Jeff for training and keynote engagements.

Sincerely,

[redacted]
