Dear Jeff,

I wanted to take this opportunity to let you know how much all of us have enjoyed and benefited from your most recent seminar titled "The Leadership Alternative". The knowledge obtained through your discussion, along with the easily understood and applied concepts, will continue to pay dividends for our Loss Prevention Group.

Our people also learned a great deal from your earlier "Power Charged For Life" presentation. In follow-up sessions with them, we were very pleased with the level of retention and how they were using the information.

Thank you again, and we look forward to your next visit.

Sincerely,
